

# Goody Goodness

gifts with a conscience

Delight your team members and clients this festive season with a thoughtful thank you gift – a beautiful box filled with high quality, artisan, New Zealand made products!

By choosing to partner with us you are supporting local, choosing to be eco-friendly, and giving a unique and memorable gift that will be truly appreciated:

All of our products are supplied by New Zealand businesses, and we support as many small, artisan businesses as possible.

We select products for their quality and excitement value – we want your recipients to love their gift boxes so much that they seek out their favourite products well after the contents have been enjoyed – and remember who gifted it to them!

Our focus is on sustainability and we partner with like-minded businesses whenever possible.

Gluten Free, Dairy Free **AND** vegan options available

**We can deliver nationwide!**

Let us take the pressure off you – we'll work with your budget and requirements to ensure a positive experience all round. Choose from our pre-curated options, or alternatively select your own products! Better still, give us a budget and brief – we'll do the rest!

To make things easy for you simply provide a spreadsheet with the details of the recipients and we'll invoice you directly so you don't need to put individual orders through our website.

Our high quality, white magnetic close gift boxes come in different sizes and are designed to keep and use long after the contents have been enjoyed.

We can decorate in our festive theming (no fussy and unsustainable ribbons used!), or alternatively add your branding to the boxes for an extra charge.

## The sizes of our gift boxes are:

235 x 235 x 75

(perfect for approximately 6 products)

350 x 300 x 100

(perfect for approximately 10 products)

490 x 300 x 130

(perfect for approximately 15-20 products)
